DREAMS!

**Big achievers have big dreams,
Small people have small dreams.
If you want to change what you are,
Begin by changing the size of your dreams.**

"Often your tasks will be many,
And more than you think you can do,
Often the roads will be rugged
And the hills insurmountable too,
But always remember that hills ahead
are never as steep as they seem
And with faith in your heart start upwards
And climb till you reach your dreams.

For nothing in life that is worthy
Is never too hard to achieve,
If you have the courage to try it
And you have the faith to believe
For faith is force that is greater
Than the knowledge or power or skill
And many defeats turn to triumph
If you can trust in God's wisdom and will.

For faith is mover of mountains
there is nothing that God cannot do,
So start out today with faith in your heart
And climb till your dreams come true."

LAPAROSCOPIC WEEK

Laparoscopic Week, November 18–25, 2004, was a resounding success and it was in no small measure due to your immense participation. Apart from live demonstrations by Dr. Davide Lomento (Singapore), Dr. Rakesh Sinha, Dr. Pradeep Chowbey, Dr. Sanjay Gupta, Dr. Pawan Gupta, Dr. Ajay Kriplani, Dr. Parveen Bhatia and Dr. Indu Bhatia, we interspersed the program with lectures, critical appraisals and master videos.

We express our heartfelt appreciation to you and your families for sparing your valuable time and showering your good wishes and blessings on the celebration of 3rd anniversary of Bhatia Global Hospital and Endosurgery Institute.

We wish you happiness, prosperity and value your relation with us forever. Celebrate X-Mas and a very happy new year to you all.

With warmest regards.

I'VE LEARNT

I've learnt

- I've learnt that I still have to learn a lot.
- I've learnt that grandparents and children are natural allies.
- I've learnt that kids need hugs more than they need things.
- I've learnt that my mother is always happy to see me.
- I've learnt that we should always take time to answer our children when they ask "why?"

I've learnt that my children expect as much from me as I expect from them.

I've learnt that nothing is more precious than my daughter's laughter.

I've learnt that if our children feel safe, wanted and loved we are a successful parent.

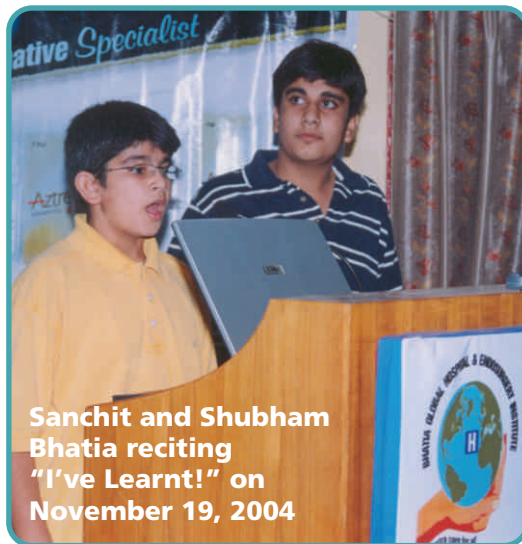

I've learnt that we need to let our children be children.

I've learnt that you can tell a lot about a man by the respect given to him by his children.

I've learnt that there is no substitute for hard work and good manners.

I've learnt that being a success at the office is not worth it, if it means being a failure at home.

I've learnt that we should always leave loved ones with loving words, it could be the last time we saw them.
